The case was given them to the Council- and remarks

from several members of the council..

It was moved by bro J. C. Snow that Dr. Luke Johnson & G. Miles

are not guilty of any misdemeanor in their course that they

took in the above case and that they be honorably acquitted..

Carried by a unamanous vote of the Council..

Prest O. Hyde moved that as a piece had been published

in the guardian tucking that case, that the Council order another

piece writen and published to take away the influence that was

carried by the former piece,, Carried by the full vote.

Prest. O. Hyde made some remarks, said he had no confid-

ence in those men who are continually tampering with the

property of others,, said those who would not refrain from

that the judgements of God shall overtake them and

they shall be bro't to lie beneath the [===] of the

Valley,, and the Council said Amen,, said no

man had committed the unpardonable sin when he

had a desire to do right, to do good & be saved..

said there were some things he wanted to speak

but he tho't it was not time yet and he would

with hold yet.. If all was right within our midst.

and all drew to the center, it might howl and thunder

& lighted and the Earth may quake without and we

care not the kingdom Is ours.. May the Lord bless us all Amen

Bro. J. Browning said he was not willing to have this matter

dropped without some understanding concerning  
Geo. Snow as

the others had been honorably acquitted .. Bro  
Messenger Williams

were of the same mind..

Prest O. Hyde said cut those men off and they  
eseape a

speedy destruction the Lord has not spoken by me  
with is the

doings of this Council any validity before him.. If  
you cut them

off they will go to destruction, and if you keep  
them in they

will pull us to destruction,, made some references
